## Statement of Faith and Beliefs

- We believe the Scriptures of the Old and New Testaments are the inspired Word of God, the final authority of doctrine, reproof, correction and instruction in right living.
- We believe in one God, existing eternally in three persons: Father, Son and Holy Spirit.
- We believe in the deity of our Lord Jesus Christ, fully man and fully God, only begotten Son of the Father. He was conceived by the Holy Spirit, born of the Virgin Mary, and lived a sinless life. He suffered under Pontius Pilate, was crucified, buried and rose physically from the dead. He ascended to the right hand of the Father and will come again in power and glory.
- We believe that faith alone in Jesus Christ as Savior and Lord frees us from the mastery of sin, and its consequences of death and eternal damnation. He assumed the penalty of death Himself, and enables us to live out of His resurrected life unto eternity.
- We believe the Holy Spirit carries out this work of renewal in our lives, empowering us to grow in loving union with our Heavenly Father and to walk in obedience to His will.
- We believe that the church of Jesus Christ is formed of all those who know Him as their Savior and Lord, regardless of denominational beliefs.
- We believe God created man and woman in His image, and as such, each person has worth and value because his or her identity is rooted in God.
- We believe sexuality is a gift from God and is inherently good.
- We believe God designed the gift of sexuality to be expressed within the form of a life-long covenant of marriage.
- We believe God's design for marriage is a covenant between one man and one woman, characterized by complementarity, mutual service and self-sacrifice.
- We believe any sexual act outside the heterosexual expression of marriage (such as oral sex or mutual masturbation outside of marriage, pornography use, homosexual acts, emotional dependency and compulsive masturbation) breaks the boundaries God has set for sexual expression.
- We believe masturbation is a substitute and distortion of God's design for sexuality and is to be resisted.
- We believe in Christ's capacity to touch and restore us at deep levels of brokenness and shame, regardless of the specific type of problem. We believe He loves and cares for His children, and wants them to live with joy and hope.

I, the undersigned, understand the beliefs of Journey USA. I agree to enter the Journey Discipleship Course knowing that the teaching and ministry I receive is based on these beliefs. If I disagree with any of these beliefs, I agree to make my opinion known to the program coordinator prior to the start of the Journey Discipleship Course, and I agree to not contentiously debate these beliefs with other participants during the course of the program.
